Who We Are

Saskatoon Wildlife Federation is a nonprofit organization dedicated to supporting wildlife conservation and habitat preservation since 1931. Dedicated to responsible hunting, fishing, and trapping, Saskatoon Wildlife Federation has made great strides in acquiring habitat land for sustaining wildlife. We teach and promote safe shooting practices and offer courses to people of all ages interested in the outdoors.

Where We Are Located

Corner of Central Ave. & McOrmond Dr. on Range Road 3050

Membership Benefits

Canadian Shooting Sports Association (CSSA) Insurance

\$5,000,000.00 liability insurance for shooting, hunting and archery activities. Access to the Emergency Legal Fund and weekly issues of the CSSA E-News.

Firearm and Hunter Safety Classes

Hunter Safety / PAL - \$175.00

Provincial law requires hunters to have safety training. Minimum age is 11 years prior to course start date.
5 Week Course (2 Nights a Week)

PAL - \$150.00

Possession and Acquisition License
1 Day Course (8 Hours)

RPAL - \$150.00

Restricted Possession and Acquisition License
1 Day Course (6 Hours)

What is Hunter Safety Training?

The program was designed by the Saskatchewan Association of Firearm Education (SAFE) to educate people involved in hunting and shooting sports, so they behave in a safe and responsible fashion, to instill in the hunter a sense of values and code of ethics that reflect the expectations of society, and to increase participation in hunting and the shooting sports as a way of life dedicated to the conservation of our natural resources.

What is PAL?

The Possession and Acquisition License is the primary firearms license under Canadian firearms laws. The PAL is the only license issued to new adult firearms license applicants in Canada; it is both required and the only permissible document for a person to acquire or permanently import a firearm. Anyone 18 or older may apply for a license once they have completed the Canadian Firearms Safety Course.

What is RPAL?

RPAL means a Restricted PAL, meaning the holder can also own and purchase restricted firearms like handguns and legal short-barreled rifles and shotguns. You must pass the PAL training before you can take the RPAL course.

Call our office or email admin@swildfed.ca for current dates scheduled for these courses!

Club Information

PPC - Precision Pistol Competition

Encourages new shooters into competition and hone the skills of sight alignment and trigger control.

IPSC - International Practical Shooting Confederation

IPSC is a style of shooting which measures the ability to shoot rapidly and accurately with a handgun, rifle, or shotgun.

Saskatoon Straight Shooters Archery Club

sssacregister@gmail.com

The Saskatoon Straight Shooters Archery Club runs the archery programs at the Saskatoon Wildlife Federation. The SSSAC offers both youth and adult programs, as well as private group bookings. The youth program (Junior Olympic Program) runs from September to May at the Saskatoon Wildlife Federation indoor range. Youth archers submit scores and earn badges while working on their archery skills. The adult program is open to anyone over the age of 16 who are shooting at an 18-meter distance or further. This program also runs from September to May at the Saskatoon Wildlife Federation indoor range.

Saskatoon Wildlife Federation Biathlon Club

Biathlon is an Olympic sport that combines cross country skiing with small bore rifle marksmanship. The Saskatoon Wildlife Biathlon Club is a place where aspiring biathletes can learn the basics of skiing and shooting and hone their skills. Programs run through the winter season at the Saskatoon Wildlife Federation Silhouette outdoor range. Learn-to-shoot, recreational athlete and competitive athlete programs are available for ages 8+. Biathlon is a great way to enjoy Saskatchewan winters outdoors with friends and family.

Saskatoon Rifle and Revolver Club

Saskatoon Rifle and Revolver Club Juniors operating at the Saskatoon Wildlife Federation offers a junior shooting program for youth 10 years and older. The youth are taught competition style air rifle and air pistol target shooting.

SRRC Junior Shooting Program

swf.srrc.juniorprogram@gmail.com

Introduces children 10 and up to the sport of air rifle and air pistol target shooting.
